Jesus' final command to his disciples was to "make disciples." But what does that mean? What is a biblical disciple?

The best way to answer these questions and live out Jesus' mandate is to rejoin his words to the biblical context in which Jesus spoke them.

Join us as we develop tools and frameworks that open up the rich textures of making disciples as we find them in the Gospels.

*"Trying to be a disciple of Jesus Christ is not the same thing as training to be His Disciples."* -- Bruce Demarest
