

Chapter 9

Reflections to Journal and Share

- Does your heart beat with God's heart? Where might you still need to be broken, remade, have your paradigms pulverized, so that you see the outcasts of this world as the Father sees them?
- Do you have the courage and persistence to stay close to Jesus as He rescues and restores the outcasts of this world?
- Have there been times when you valued boars over people, materialism at the expense of relationships?
- How have you been doing telling your encounter-with-Jesus story to whoever will listen? Has that been hard? What kinds of reactions have you gotten? Do you need to pray for courage and persistence?
- What thought(s) challenged you in this encounter? What is God's Spirit whispering to you? What action is He prompting you to take?
